What’s the best part of any match? The SHOOTOFFS! The format? Two shooters face identical banks of targets, the start sounds, and the shooter with his targets down first wins. Simple? Sure, until you try it!

This is a two day, 10 stage match. We recognize two categories, Open and Limited. The top 8 shoot off to determine category winners, those two winners go head to head to determine the National Champion. Prizes table by random draw.
